An Amazing Story

- Saint Patrick was born a very long time ago in around AD 390.
- He grew up happily with his family.
- He was captured by pirates when he was 16 years old and taken as an enslaved person to Ireland.
- He had to work there for 6 years before he could escape.
- Saint Patrick was a Christian and decided to become a priest.
- He decided he wanted to return to Ireland to teach people about Jesus.
